

NWBC

Reconnecting Pathway

The framework to help the people connected with NWBC, restore and rebuild relationships with each other as one body of Christ.

Picnic and Fireside Fellowships Fortnightly

A small gathering of NWBC people in a park near you. An opportunity to meet, share, grieve and celebrate with others.

We will read a psalm together, reflect with each other and pray together.

Starting November 7.

Weekly Online Services

Our services will continue online every week.

Everyone is welcome to view our services, live-stream on Sundays or afterwards on YouTube.

Fortnightly in Person Services

On the alternate week to Fellowship Groups, our Sunday worship services will be open Fortnightly, currently to those fully vaccinated.

Trusting God in Transition

We aren't completely sure what God is changing us as a church into.

Please join us in praying for our people to have grace and kindness in their hearts, for God to shape us as He chooses and for our humility in the process.

Working Bees

Over the next couple of weeks we will be cleaning and tidying up in the NWBC building on Wednesdays and Thursdays, let us know if you can help!!

MID WEEK MINISTRIES

Every Leader or Team Member for Sunday Services and Mid-Week ministries needs to be fully vaccinated.

Each ministry has different requirements to operate.

Please check with your Ministry Leader as to specific requirements.
